

# **USA National Development Rifle Team Announcement**

August 10, 2010

The management of the USA National Development Rifle Team is very pleased to announce the donation of 50,000 Berger 155.5 Fullbore 30 caliber match bullets. Additionally Berger has pledged \$1000 a year and will continue the 50,000 bullet donation every four years on the World Championship Long Range and Palma Team match cycle.

It is the intention of the USA National Rifle Team management to sell these bullets with 100% of the proceeds going to support the USA Under 25 Team. With this donation and the subsequent sale of the Berger bullets, will help fund the Under 25 team to the 2011 World Championships in Australia. The entire National Rifle Team sends a heartfelt thank you to Berger Bullets and Eric Stecker for making this happen.

Bullets may be purchased by emailing Dan Simpson at [ishoot@gsinet.net](mailto:ishoot@gsinet.net) for ordering instructions. The price is \$195.00 per 500 (minimum order) and shipping is free!! Please make you tax deductible donation check to Palma Promotions, a 501(c) 3 organization. This is a wonderful opportunity to help support and send our young and talented shooters and coaches to the world championships. Your purchase of these bullets will help make their dream come true.

Thank you for your support and thank you Berger Bullets!!
